

### REMARKS

The drawings submitted are not acceptable because the drawing figure(s) contain text that is not in English. See Figure 7.

In response to the Notice, applicant hereby cancels Figures 6 and 7 without prejudice. Figures 6 and 7, which were mistakenly submitted with the initial filing, were used as prior art drawing figures for the foreign application in Taiwan No. 92107177, the Taiwan application being the basis on which foreign priority for the present application 10/813,408 is claimed. However, as indicated in the Brief Description Of The Drawings of the specification of the present application, only Figures 1-5 are relied upon in support of the application. The Description of Prior Art of the specification of the present application reviews prior art without reference to any drawing figures included in the present application.

Accordingly, the remaining Figures 1-5 only are relied upon in support of the present application. Applicant believes that the Amendments to the Drawings and the Remarks herein properly correct the informalities indicated in the Notice.

Respectfully submitted,

Charles Leu et al
